

# MALAIKA KUNLE

## Full Stack Web Developer

📞 +1-(267)-226-6611    ✉ malaika787@me.com    🌐 malaikakunle.com    📍 Orlando, Florida

### SUMMARY

As a full stack developer, I merge a passion for usability and user experience with comprehensive technical knowledge to create innovative and accessible digital experiences.

### EXPERIENCE

#### Software Developer

[InvestCloud Inc](#)

📅 04/2020 - Present    📍 Remote ~ Tampa, FL

- Designed and implemented various web-based applications for clients
- Participated in code reviews, providing constructive feedback and fostering knowledge sharing within development team
- Modified existing software to correct errors, adapt to new hardware or upgrade interfaces
- Managed multiple projects simultaneously while ensuring deadlines were met within budget requirements
- Provided technical guidance to junior team members on best practices for coding standards and accessibility
- Developed 40+ applications following Agile product development methodologies
- Wrote 200+ unit tests to ensure 100% of code within SDLC was without bugs

#### Solutions Architect

[InvestCloud Inc](#)

📅 01/2020 - 01/2021    📍 Tampa, FL

- Defined underlying problems and identified risks for over 15+ projects
- Used my extensive front end development experience to define the structure and components for the project, making sure they were reusable
- Performed regular reviews of existing systems in order to identify areas of improvement
- Worked closely with stakeholders from various departments to develop innovative solutions that address business goals

#### Front End Developer

[InvestCloud Inc](#)

📅 06/2018 - 12/2019    📍 Tampa, FL

- Developed over 20 responsive websites and transitioned legacy sites to a mobile-friendly platform
- Worked with an agile team of 12 members and provided end-to-end solutions for clients
- Deployed mobile apps to Google Play and App store
- Coached and mentored junior employees
- Worked with designers to ensure that designs translated into actual functionality

#### Junior Web Developer

[Centerline Group](#)

📅 09/2017 - 06/2018    📍 Tampa, FL

- Developed an e-commerce website using ReactJS, SASS and Moltin e-commerce platform
- Implemented search engine optimization techniques to enhance website visibility
- Collaborated with 3 engineering and design teams to integrate external APIs into web pages and applications

### EDUCATION

#### Bachelor of Science in Computational Mathematics

[University of South Florida](#)

📅 2017    📍 Tampa, FL

### SKILLS
